### Banner

Displayed on every page of ICE Recruit, The homepage banner receives over 120,000 impressions per month.

### Job of the Week

Each week we feature a single job posting on our homepage. This highly visible slot is an excellent method of raising the profile of senior or specialist vacancies and ensures that is visible to every candidate who visits ICE Recruit.

### Featured Job

Featured jobs receive twice the number of applications compared to standard job postings! They are listed on our homepage and branded with your logo.

### Top Job

Top Jobs are always the first results in our search listings within the relevant sector. Top Jobs are listed with a highlighted background.

### Premium Job

Premium jobs are listed on the right hand side of search results and remain in a prominent position for the duration of the job posting.
